Why do we need your support?

Our performances are designed for the enjoyment of our diverse community. We strive to keep our performances as affordable as possible. Ticket sales and grants cannot completely cover the cost of underwriting our performances and satisfy about one half of our expenses. Financial support from local businesses and generous individuals help make our programming possible throughout the year.

The 2023-2024 season marked our 20th year of presenting live world class performances on stages in the Bitterroot Valley. We hope you will be a part of continuing this mission.

If you are interested in being a BPAC sponsor this season please email us at boxoffice@bitterrootperformingarts.org and we will email you the necessary paperwork.
